Our Company

Genus Dei S.r.l. is the leading company in and a benchmark for the foodservice equipment market

Genus Dei S.r.l. for years has been synonymous with quality. We are always ready to offer innovative and customized solutions provided by our team of specialized technicians. All items are entirely made in Italy at our factory and they are made of materials certified for food contact and meet the requirements of European regulations.

The main objective of our company is to produce and provide customers with durable products that are safe and practical to use. The experience acquired over the years has allowed us to expand our range of products using new methods of distribution and production.

Trays

Our trays were the first of our products with which we founded the company in 2008.

Our trays are made from alimentary polypropylene and come in 18 different models, 3 collections and 40 beautiful colors and so are ideal for any type of use.

Made in Italy

Dough Cases

Genus Dei S.r.l. is continually working to develop new ideas to leverage from our advances in the foodservice sector and the strengths provided by our technical department, in order to perfect lines of cases in alimentary polyethylene and from now all types of dough.

Our range of cases, both solid and perforated, are ideal to keep the dough fresh and at low temperatures, distinguishing them or simply carrying them easily.

Racks

Another of our bestselling products are our dishwashing racks. We aim to satisfy your requirements by suggesting advanced and successful customized solutions. Our racks with their extendability in height, are adaptable to any type of glass and are also adaptable in width and work better with all types of dishwashers. In addition the colored tops allow the clear identification of the contents according to your choice. They may also be used for storage and movement together with their accompanying accessories.

Our Trays

Made in Italy

- Compliant with European directives
- Anti scratch
- Reinforced round-corners
- Resistant to chemical agents
- High rupture resistance
- Heat resistant
- Washable in professional dishwashes
- Resistant to changes in temperatures up to + 85°
- Stain resistant

Our Dough Cases

Made in Italy

- Made of alimentary polyethylene
- Suitable for food contact
- Closed-end and ribbed bottom
- Closed sides
- Resistant to temperatures from -40° to $+80^{\circ}$ and up to $+120^{\circ}$ during washing
- Perfect for the maintenance and preservation of the pizza dough
- Ideal for storage
- Made to not absorb odours and easy to clean
- Resistant and lightweight
- Stackable in order to prevent the entry of dust and impurities
- Dishwasher safe

PERFORATED Dough CASES

Dough Cases created from the demand for cases suitable for the kneading and preservation of all types of dough, we have launched our first perforated cases in two different versions:

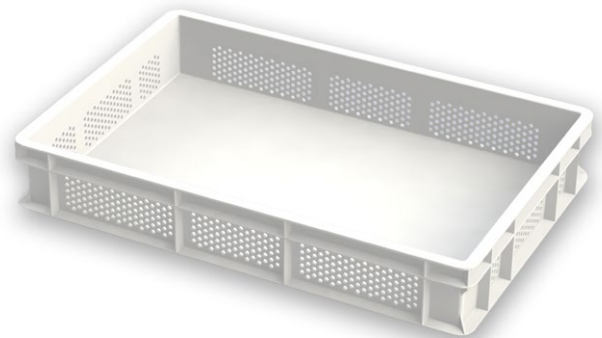

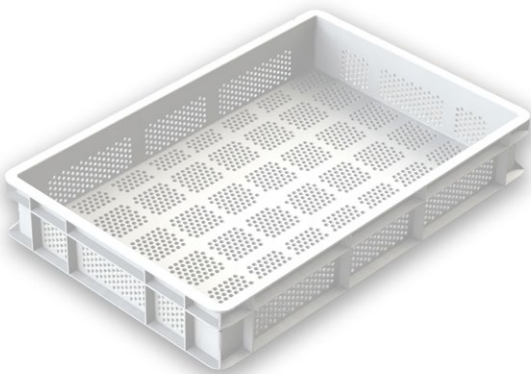

VAS010FA: Container with perforated base and sides

VAS010FC: Container with solid base and perforated sides

USES:

alimentary polyethylene case, material suitable to resist low temperatures (up to - 40°C)

* Available in our 9 colors for a minimum order of 200 pc.

Do you want to **Identify** the **rack** that suits most your needs ?

1

Measure the maximum diameter of the glass to determine the compartments.

2x2 = 4 compartments of 226 mm (from 147 to 226 mm)

3x3 = 9 compartments of 146 mm (from 114 to 146 mm)

4x4 = 16 compartments of 113 mm (from 89 to 113 mm)

5x5 = 25 compartments of 88 mm (from 74 to 88 mm)

6x6 = 36 compartments of 73 mm (from 64 to 73 mm)

7x7 = 49 scomparti di 63 mm (da 0 a 63 mm)

2

Measure the height of the glass to identify the type of kit.

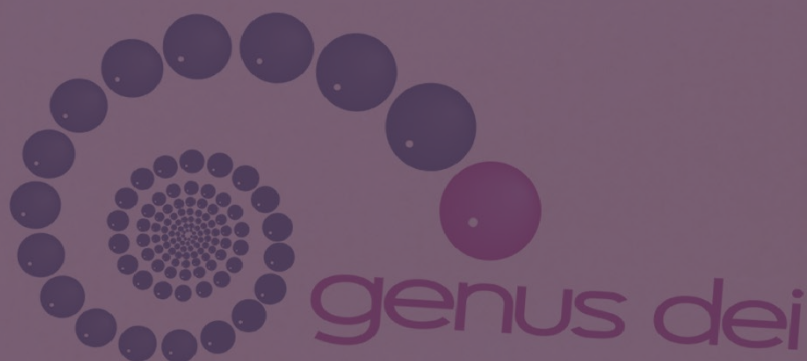

Kit 4 from 240 to 340 mm

Kit 3 from 120 to 240 mm

Kit 2 from 65 to 120 mm

Kit 1 from 0 to 65 mm
